

INCE-USA MEMBERS' CHOICE AWARD

SUBMISSION FORM

INCE-USA offers the Members' Choice Award to acknowledge notable project(s) and product(s) completed in the field of noise control or architectural acoustics. One or more awards may be granted each year.

Awardees will receive recognition of their achievement and visibility on INCE-USA materials such as conference materials, website, and social media.

This form should be used to submit a noise control engineering or architectural acoustics project or development of a quiet product for consideration by the Institute of Noise Control Engineering of the United States of America for the INCE-USA Members' Choice Award. The primary candidate must be an Associate or full Member of INCE-USA and the project/product must have had acoustical services provided or have been completed or implemented within the last 24 months. Multiple awards may be given; applications will be considered relative to other submissions within noise control categories.

The application must meet the requirements stated above. The judges and Membership will also consider:

- Presentation/description of project or product
- Technical merits of project or product
- Innovation
- Potential impact on the field of noise control or acoustical consulting

To allow sufficient time for finalist selection by the judges and voting by the Membership, the completed submission form and the supporting information must be received by the Vice President of Honors and Awards before:

11:59 PM PDT February 15, 2023

1. CONTACT INFORMATION FOR SUBMISSION (LEAD AUTHOR OF PROJECT OR PRODUCT):

PRIMARY CANDIDATE NAME (PRINTED): _____

AFFILIATION/ORGANIZATION: _____

PROJECT ROLE: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____
