

The Michiko So Finegold Award is funded by the INCE Foundation through an endowment from the Michiko So Finegold Memorial Trust.

This award is intended to support travel to the conference for US-based graduate students and young professionals working on development of noise policies, noise effects research, and noise control engineering.

ABOUT THE APPLICATION.

This form is to be completed for each nominated graduate student or young professional.

Transmit the completed form (and any supplemental pages) via e-mail to the INCE-USA VP of Education, vp_education@inceusa.org and to the INCE-USA Business Office at ibo@inceusa.org with the subject "NC23_XXX Michiko So Finegold Award Application" where XXX is the number assigned to the abstract when you submitted the abstract.

DEADLINE.

Applications for the 2023 Michiko So Finegold Travel Award must be submitted by the paper submission due date of NOISE-CON 2023.

Applications received after this deadline will not be accepted. Awardees will be notified by e-mail.
